

So how's the
new sofa **Posh**?

Chatty Fluffo was always talking...

So that's why you
brush your hair
with a toothbrush

Was always giggling...

Really! That's how
you get your hair
like that?

And always whispering...

Don't tell **Cool** this,
but I think **Bad**'s bandana
is much cooler than **Cool**'s
sunglasses

Chatting to all her friends, about everything
and anything for hours and
hours and hours!
